

# Notary Connect

Easily find and schedule high-quality notaries from the nation's largest notary network. Deliver a perfectly coordinated signing experience. Accelerate your post-signing process.

## Overview

Streamline the scheduling process with credential verification, notary assignment & communication, document sharing, notary payments, and more. Notary Connect provides two flexible options to meet the needs of your business.

	<b>Notary Connect PRO</b> Our dedicated team manages all behind-the-scenes tasks—so you can provide exceptional signings, without the hassle.	<b>Notary Connect FLEX</b> Your team owns the entire scheduling process—experience a fully automated platform that taps into the nation's largest network of qualified notaries.
Best for...	Title Companies looking for a 100% outsourced model for notary scheduling and management.	Title Companies and Signing Services with a centralized operations team.
Notary Credential Verification	Performed and maintained by Snapdocs.	Performed and maintained by Snapdocs.
Qualified Notary Assignment	Our team delivers white-glove service to ensure a highly ranked qualified notary is assigned to each order.	The Notary Connect platform sends automated signing offers to verified notaries who meet your criteria.
Communication and Notary Management	Our team manages all communication between escrow and notary.	Your team can quickly communicate with all signing parties in a secure, centralized platform.
Coordination	Our team coordinates any order changes or updates and ensure all parties are kept up to date.	Your team can easily update any signing order and stay up to date with real time notifications and updates.
Issue Resolution	Our goal is to proactively prevent issues. If a problem does occur, we find a solution.	Your team manages issues that arise during the signing process and can review performance to prevent future occurrences.
Notary Payment	Our team manages the issuing of 1099 forms and payments to notaries, freeing up valuable and costly accounting time.	The Notary Connect platform allows your team to free up valuable accounting time by automatically issuing 1099 forms and notary payments.
